Health and Safety

Your child's health and safety are as important to us as to you. The State of Arizona REQUIRES students enrolling in public, private, or parochial schools to present a completed emergency form and a documented immunization record. Students must be current with their immunization PRIOR TO ATTENDING CLASSES.

Campus Release

Every week the children will enjoy attending a chapel service led by our Pastor or by our School Administrator. This is a wonderful opportunity for all of our classes to worship together, enjoy new songs and bring an offering to help one of our selected Mission Ministries. (Hurricane Katrina Victims, Soldiers in Iraq, children from other countries, etc.) Our Chapel services are held in the church sanctuary to accommodate the number of students in all classes. Because we are leaving our building, for Chapel and other school events/activities, it is necessary for us to give you notification of this event and for you to give permission for your child to participate. Please complete the below form.
