Your child's health and safety are as important to us, as to you. The State of Arizona REQUIRES students enrolling in public, private, or parochial schools to present a completed emergency form and a documented immunization record. Students must be current with their immunizations

Nap Room Policies: For the overall well-being of the students attending the summer program, it is the policy of the school that children age three, enrolled in the full session or full day program, rest quietly for at least 20 minutes or until they fall asleep. Children will be woken from any nap that lasts longer than two hours or by 2:30 pm. It behooves us the right to request a child rest, if he or she is obviously in the need of sleep or quiet time. Parent's will need to provide a crib sheet and blanket for their child for the week. At the end of the week, it will be sent home to be washed.
